AMENDING ORDINANCE 218-79 REGARDING RETAIL DISPENSING OF MOTOR FUELS.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Finding. The Board of Supervisors finds that gasoline supplies have either been increased or stabilized by major retailers during the last quarter of the year and consumer demand has decreased resulting in the end of the serve gasoline shortage which confronted vehicle users during the Spring of 1979. Therefore, the Board of Supervisors finds that the emergency which necessitated enactment of the odd-even allocation plan no longer exists. However, those sections of the ordinance requiring the posting of days and hours of operation as well as the flag notice system shall remain in effect for both conservation purposes and as an aid to the motorist.

Section 2. Sections 3 through 8, 12 through 14 and 17 of Ordinance 218-79 are hereby repealed.

ESTABLISHING IN THE BUREAU OF BUILDING INSPECTION A VOLUNTARY INFORMATIONAL INSPECTION PROGRAM FOR ONE AND TWO FAMILY STRUCTURES IN THE HAYES VALLEY HOUSING IMPROVEMENT PROGRAM.

Be it Ordained by the People of the City and County of San Francisco

Section 1. A voluntary inspection program for owners of single and two family residential structures in the Hayes Valley only for the duration of the Housing Improvement Program in that area is hereby established. Inspections are to be performed by the Bureau of Building Inspection pursuant to Resolution No. 888-78 which authorized the development of specific voluntary informational inspections subject to the approval of the Board of Supervisors.

Section 2. The voluntary inspection program for the Hayes Valley Housing Improvement Program area is applicable to one and two unit residential structures and shall be made only when requested by the owner of a building in the designated area. The inspection will provide to the property owner information concerning deficiencies under the San Francisco Housing Code. The inspection report shall not be available to the public nor will code violations discovered during such inspections result in enforcement to correct violations. Only if a complaint is made through an independent source, or violations are cited by a city building inspector during the normal course of inspection and observation, and a subsequent inspection is conducted for purposes other than the Housing Improvement Program, can there be code enforcement.

Section 3. To obtain Hayes Valley Housing Improvement Program (HIP) financing, the owner will be required to bring his building into full Housing Code compliance. Should the owner decide to correct any or all deficiencies noted in the inspection report without HIP financing, the normal procedures set forth in the Housing, Building, Electrical, Plumbing and Planning codes shall apply.

Section 4. The costs of such voluntary inspections will be paid from funds allocated to the Bureau of Building Inspection from the Community Development Block Grant budget.

Section 5. This ordinance shall become effective after area designation for the Hayes Valley Housing Improvement Program by the Board of Supervisors.

Be It Ordained by the People of the City and County of San Francisco:

Section 1. In accordance with Public Utilities Commission Resolution No. 77-0495, the Board of Supervisors hereby declares that the public interest and necessity requires the exchange of certain easements by and between the City and County of San Francisco, a municipal corporation, and Jack L. Bohan.

Section 2. The easements to be exchanged are located in Santa Clara County and are delineated on Water Department Drawing Number B-4014, a copy of which is on file in the Office of the Clerk of the Board of Supervisors.

Section 3. The City will grant an easement for roadway and utility purposes in exchange for Mr. Bohan's quitclaim of his existing road easement across City property.

Section 4. The Director of Property has determined the new easement to be worth $1,436.63 more than the easement to be quitclaimed by the petitioner and Mr. Bohan has agreed to pay this sum to City.

Section 5. The petitioner has also agreed to dismiss the litigation brought by Mr. Bohan in Santa Clara County Superior Court against City for damages and other related matters.

Section 6. Pursuant to Section 7.401 of the Charter of the City and County of San Francisco, the Director of Property is hereby authorized and directed to arrange for said exchange.

Section 7. The Mayor and the Clerk of the Board of Supervisors are hereby authorized and directed to execute and deliver the necessary documents required for the exchange of said easements.

Section 8. The City Attorney shall examine and approve title to the property to be acquired by the City, the conveyance of which is hereby accepted by the City.

REPEALING ORDINANCE 532-79 REGARDING MOTOR FUEL RATIONING, AN EMERGENCY ORDINANCE.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Repeal. Ordinance Number 532-79 is hereby repealed.

Section 2. Emergency Legislation. In approving this ordinance by a three-fourths vote this Board of Supervisors does hereby declare that an actual emergency exists and that the immediate preservation of the health and safety of the people of the City and County of San Francisco necessitates that it take effect immediately upon signature by the Mayor. The evidence which compels this Board to find that an emergency exists is as follows:

1. On May 10, 1979, a severe gasoline shortage, which resulted in part from the temporary closing of Iranian oil fields, necessitated the adoption of an emergency ordinance imposing an odd-even motor fuel sales program in San Francisco. That program was to remain in effect through December 31, 1979.

2. On October 29, 1979, the Board of Supervisors adopted an ordinance repealing the odd-even motor fuel sales program, finding that fuel supplies had stabilized and consumer demand has decreased.

3. On November 12, 1979, the President of the United States issued an executive order barring further shipments of crude oil from Iran, which heretofore had shipped a significant amount of crude oil to American refineries.

4. It is likely that until there is a realignment of international oil shipments the President's action will result in a shortage of crude oil in the United States.

5. In order to avoid street congestion, to insure adequate motor fuel supplies for emergency vehicles, and to provide commerical vehicles with fuel to efficiently distribute goods and services in San Francisco, it is necessary to continue the motor fuel sales procedures set forth in Ordinance No. 218-79.

AMENDING PART II, CHAPTER VIII, SAN FRANCISCO MUNICIPAL CODE (POLICE CODE) BY ADDING ARTICLE 1.4 THERETO PROVIDING FOR A MORATORIUM ON DEMOLITION OR CONVERSION OF RESIDENTIAL HOTEL UNITS; PROHIBITING CONVERSION OF APARTMENTS TO HOTEL USES: AN EMERGENCY MEASURE.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Part II, Chapter VIII, San Francisco Municipal Code, (Police Code) is hereby amended by adding Article 1.4 to read as follows:

ARTICLE 1.4

RESIDENTIAL HOTEL UNIT CONVERSION DEMOLITION AND CHANGE IN USE ORDINANCE

Sec. 109.8 Title.

(a) This article shall be known as the Residential Hotel Conversion Demolition and Change in Use Ordinance.

Sec. 109.9 Findings.

The Board of Supervisors hereby finds:

(1) There is a shortage of decent, safe and sanitary housing in the City and County of San Francisco resulting in a critically low vacancy factor.

(2) Significant numbers of low-to-moderate income rental housing in residential hotels are found within the C-1, C-2, C-3 RC-4 and C-M districts. The continued existence of those units is threatened by demolition of theses structures to provide space for nonresidential new construction, and conversion of residential

hotels to tourist hotels and other uses.

(3) The provisions of Ordinance No. 276-79 have successfully reduced the rate to rent increase within the City. However, a housing shortage still exists within the City and County of San Francisco. The shortage is greatly increased by the actual and threatened removal of the above described residential hotels from the rental market. Smaller hotels in the commercial districts that previously maintained a mixed tourist/residential rental policy are now being converted to year-round exclusively tourist housing or other uses.

(4) The provisions of Ordinance No. 337-79 have successfully controlled the rate of conversion of residential rental property into condominiums. However, Ordinance No. 337-79 does not prevent the removal of residential hotels from the rental market by demolition or conversion of said residential hotels into tourist hotels.

(5) Residential hotels are a significant source of low-income housing stock in the City and County of San Francisco. They provide a large portion of the housing in the Tenderloin, Chinatown, North Beach, South of Market, Nob Hill, Polk Gulch, Upper Market-Castro and Mission neighborhoods. In excess of 20,000 San Franciscans reside in residential hotels--nearly three times the number of residents in Housing Authority projects.

(6) The segment of the population which resides in residential hotels represent the most frail and high need residents of San Francisco, including low-income minority and elderly, the mentally

DOCUMENTS DEPT.

and physically disabled, and families of recently arrived refugees from Southeast Asia. Residential hotels represent a vital source of housing for such San Franciscans not only because they provide a needed source of low-income housing, but also because the neighborhoods in which they are found are centrally located and provide close proximity to needed transportation, shops and services.

(7) It is estimated that at least 2201 residential hotel units have recently been or soon will be permanently converted to tourist hotels and thus removed from the residential housing stock of San Francisco.

(8) The Department of City Planning's Downtown San Francisco Conservation and Development Program, Phase I Study, has established the need for interim controls on the demolition and change in use or occupancy in the Downtown Commercial Districts. Similar interim controls are required throughout the City and County of San Francisco to prevent the diminution of the housing stock before a comprehensive plan of permanent control can be designed.

Sec. 109.10 Definitions.

(a) Residential hotel unit as described in this article shall be any hotel unit which presently is, or within the past 60 days has been occupied by a permanent resident as defined in Part III, Section 501(h) of the San Francisco Municipal Code.

(b) Tourist hotel unit as described in this article shall be units other than those described in subsection (a) above.

Sec. 109.11 Duration of Interim Controls.

The interim controls set forth herein shall expire at the end of six (6) months after the effective date of this ordinance unless extended by further action of the Board of Supervisors.

Sec. 109.12 Conditions of Interim Controls; Penalty.

(a) For the duration of this ordinance no permit, license, or other land use permit shall be granted for any development, demolition, or change in use or occupancy that removes any residential hotel unit from the supply of rental housing.

(b) The conversion of any residential hotel unit into a unit intended for the primary use of tourists or other transient overnight guests or to any other use or the demolition of the unit shall be prohibited for the duration of this ordinance.

(c) The conversion of any apartment unit into a residential or tourist hotel unit shall be prohibited for the duration of this ordinance.

(d) Any private party or the City and County of San Francisco through the Department of Public Works may commence an action to enjoin any actual or threatened conversion of any residential hotel unit, or the demolition of same in violation of this ordinance.

(e) Any person converting a residential hotel unit into a tourist hotel unit or demolishing or otherwise changing the use of such unit in violation of this ordinance shall be guilty of a misdemeanor. Any person convicted of a misdemeanor shall be punished by a fine of not more than five hundred dollars ($500) or

six months in jail. Each unit converted, demolished or whose use is changed in violation of this ordinance shall constitute a separate and distinct offense.

(f) The provisions of this ordinance shall not apply to any action taken in a redevelopment area, or the issuance of a permit for an action to be taken in a redevelopment area, which is in conformity with the redevelopment plan adopted for that area.

(g) Nothing herein shall apply to the demolition of residential units declared to be public nuisances by the Superior Court where such demolition is ordered by the Department of Public Works pursuant to Article 2 of the San Francisco Building Code or any other applicable laws.

Sec. 109.13 Planning Department Study.

(a) The interim controls established by this ordinance are for the purpose of providing a moratorium on the demolition of residential hotel units and the conversion of such units to tourist hotels. The Department of City Planning shall study the need for permanent and comprehensive controls and shall prepare legislation for the Board of Supervisors to consider before the expiration of this ordinance or any duly enacted extension thereof. (b) Specifically the Department of City Planning shall determine the following:

(1) The social, economic and physical impact of such demolition and conversion upon the frail segments of the population which comprise a significant portion of the inhabitants of the residential hotel. These groups shall include, but not be

limited to, the elderly, the disabled, minorities and other persons with limited economic resources;

(2) The impact that such conversion or demolition will have upon the total stock of low and moderate income housing in the City and County of San Francisco as a whole as well as the impact upon the areas in which the units in question are located;

(3) Whether there is an actual need for additional tourist hotel facilities in the light of the already approved construction and expansion of such facilities;

(4) The establishment of a pemit process for the conversion of residential housing units into tourist hotels through various alternative means of regulation, including but not limited to: (a) the amendment of the Planning Code to establish two classes of hotels, tourist and residential, reflecting the actual and historical usage of such facilities; (b) zoning changes, including the requirement of a conditional use permit for any demolition conversion or change of use of residential hotels and apartments to tourist hotels; (c) utilization of certificate of occupancy standards; (d) application of master plan referral and review procedures.

(5) The absolute limitation of the conversion of said residential hotels to tourist hotels unless replacement housing units are provided on a one-for-one basis.

Sec. 109.14 Emergency Legislation.

In approving this ordinance by a three-fourths vote, this Board of Supervisors does hereby declare that an actual emergency

exists and that the immediate preservation of the peace and safety of the City and County of San Francisco necessitates that it take effect immediately upon the signature of the Mayor. The evidence which leads this Board to find that an emergency exists is as follows:

(a) There is a severe residential housing shortage in San Francisco;

(b) As a result of the low vacancy rate and ever-increasing demolition and conversion of residential housing units into tourist hotels, a housing emergency exists within the City and County of San Francisco requiring immediate legislative action by the Board of Supervisors;

(c) the existing ordinances dealing with residential rent stabilization and condominium conversion are not adequate to deal with the problems of demolition and conversion of residential housing units into tourist hotels;

(d) A comprehensive study of the problem and possible legislative solutions is required to establish effective public control of such demolition and conversion;

(e) The elderly, the disabled, minorities and other frail and low-income citizens will suffer great hardship if no controls are in effect while the necessary comprehensive study is conducted and permanent legislation enforced.

Section 109.15 Severability.

If any provision or clause of this chapter or the application thereof to any person or circumstance is held to be

unconstitutional or to be otherwise invalid by any court of competent jurisdiction, such invalidity shall not affect other chapter provisions, and clauses of this chapter are declared to be severable.

APPROVING THE LEASE BETWEEN JOHN PFLUEGER, MIKE McCORMAC, AND DICK BECHELLI, JOINTLY AND SEVERALLY, AND THE CITY AND COUNTY OF SAN FRANCISCO OPERATING BY AND THROUGH THE SAN FRANCISCO PORT COMMISSION.

Section 1. Findings. The master plan for the northeastern waterfront area contemplates the berthage of historic ships at piers no longer in active maritime shipping use. Presently three historic ferry boats including the SANTA ROSA are on San Francisco Bay and qualify for berthage in the area of the Ferry Building. The Port Commission has indicated that it will designate space for the three ferryboats at the historic ship area.

The Board of Supervisors finds that it is in the public interest to berth the ferryboat SANTA ROSA in the northeastern waterfront area. Because of the unique nature of both the ferryboat and the historic ship pier plan, and because space will be made available to the three historic ferryboats now on San Francisco Bay, competitive bidding for the lease appears both unnecessary and impracticable.

Section 2. Pursuant to Section 7.402-1 of the Charter, the Board of Supervisors hereby approve the lease between John Pflueger, Mike McCormac, and Dick Bechelli, jointly and severally, and the City and County of San Francisco operating by and through the San Francisco Port Commission, a copy of which lease is contained in the Board of Supervisor' file number 62-79-9.

ORDINANCE NO. 596-79

APPROVING AGREEMENT TO BE ENTERED INTO BY THE RECREATION AND PARK COMMISSION FOR USE OF THE BALBOA PARK RECREATION CENTER, LOCATED IN BALBOA PARK.

Be it ordained by the People of the City and County of San Francisco:

11/7/79 ah

Section 1. Findings. The California Soccer Association North is an organization devoted to the development of soccer programs in San Francisco and the Bay Area. The association has provided unique and individual leadership and guidance in training and exposing the people of San Francisco to the international sport of soccer. Balboa Park in San Francisco has been and remains a center for amateur soccer in the Bay Area.

The Board of Supervisors finds that it is in public interest to lease office space in the recreation building at Balboa Park to the California Soccer Association North in order to insure the association's continued service to the citizens of San Francisco; and that competitive bidding procedures for the lease of such premises were impracticable.

Section 2. That certain agreement between the Recreation and Park Commission, for and on behalf of the City and County of San Francisco, and the California Soccer Association North for use of part of the upstairs area of the Balboa Park Recreation Center for office space, located in Balboa Park, a copy of which agreement is on file in the office of the Clerk of the Board of Supervisors and to which reference is hereby made, is hereby approved.

AMENDING ARTICLE II, PART III, SAN FRANCISCO MUNICIPAL CODE, BY AMENDING SECTION 807 THEREOF, PROVIDING FOR AN EXEMPTION OF EIGHT DOLLARS AND NINETY-NINE ($8.99) OR LESS TO THE STADIUM OPERATOR ADMISSION TAX; PROVIDING FOR EXPIRATION DATE OF DECEMBER 31, 1980.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings.

The Board of Supervisors finds:

That the purpose of the Stadium Admission Tax is to help defray costs incurred by expansion of Candlestick Park in 1970 to accommodate the San Francisco 49ners.

That the cost of that expansion should not be borne by the San Francisco Giants, nor their patrons.

That so long as the debt service on Candlestick Park bonds can be retired with non-ad valorem revenues, the San Francisco Giants and certain other users of the facility should be exempt from payment of the Admission Tax.

Section 2. Article II, Part III, San Francisco Municipal Code, is hereby amended by amending Section 807 thereof, to read as follows:

SEC. 807. Exemptions. No tax shall be imposed (1) on the receipts from admission tickets sold at Eight Dollars and Ninety-nine ($8.99) or less; (2) when a stadium is used by athletic teams sponsored by the San Francisco Unified School District or by the San Francisco Community College District; (3) when a stadium is used by non-profit elementary or secondary schools, attendance at which satisfies the requirements of the compulsory education laws of the State of California; (4) when a stadium is used by an operator or sponsor of charity athletic contests or other special benefit entertainment events no part of the net earnings of which insures to the benefit of any private shareholder or individual and the assets of said operating or sponsoring organization are irrevocably dedicated to tax exempt purposes; (5) any recreation field operated by the Recreation and Park Commission where athletic contests, exhibitions or special events may be presented and which may contain a seating arrangement adjacent to one portion of said field containing not more than 5,000 permanent seats.

al 12/3/79

The exemption set forth in subsection (1) hereinabove shall be applicable to admission tickets sold on the effective date of this ordinance and through December 31, 1980; thereafter, no tax shall be imposed on the receipts from admission tickets sold at two dollars and one cent ($2.01) or less.
